It is so simple, yet so powerful: Everyone has strengths. That is why *Strength Cards* are an essential resource for thousands of family workers, teachers, counsellors, trainers, facilitators, supervisors, life coaches and parents worldwide.

- Select a strength someone saw in you as a child
- Select a strength you see in yourself now
- Select a strength you see in someone else
- Select a strength you think would help you/your team/your family most

*See the booklet for lots more suggestions.*
