

# INNOVATIVE RESOURCES FOR PRIMARY SCHOOLS

## Primary Schools Value Pack

Tailored resources for building strengths

The *Primary School value pack* is a carefully selected kit of resources designed to appeal to younger students and children while focusing on a range of skills, strengths, values, goals, solutions, team building and emotional literacy.

### Pack contents:

- *Body Signals*® – a card set of playful meerkats who help children tune into their body signals and build a language to describe them.
- *The Bears* – a beloved resource for children, simple yet powerful cards ideal for identifying, talking about and reflecting on feelings.
- *Anxiety Solution for Kids* – 50 simple, practical, and fun activities for anxious or worried children. Strength Cards for Kids – a tailor-made resource for talking with children about strengths and what they are and how to foster them.
- *Tell a Trusted Adult* – a gentle resource that supports educators when discussing safety with children.
- *The Bears* – 480 stickers which are perfect for children to share and let everyone know how they are feeling

CAT NO: 1115      \$238.00

## Tell a Trusted Adult

Tools to empower kids in challenging situations

This is an ideal resource for early learning educators building social and emotional literacy in children. The set includes 13 pairs and 9 activity cards that feature gentle, original images. Designed specifically to support children in building language around emotions and identifying their body signals, it is effective for children with low literacy levels, those who are visual learners and individuals from a culturally and linguistically diverse backgrounds.

CAT NO: 4980      \$55.00

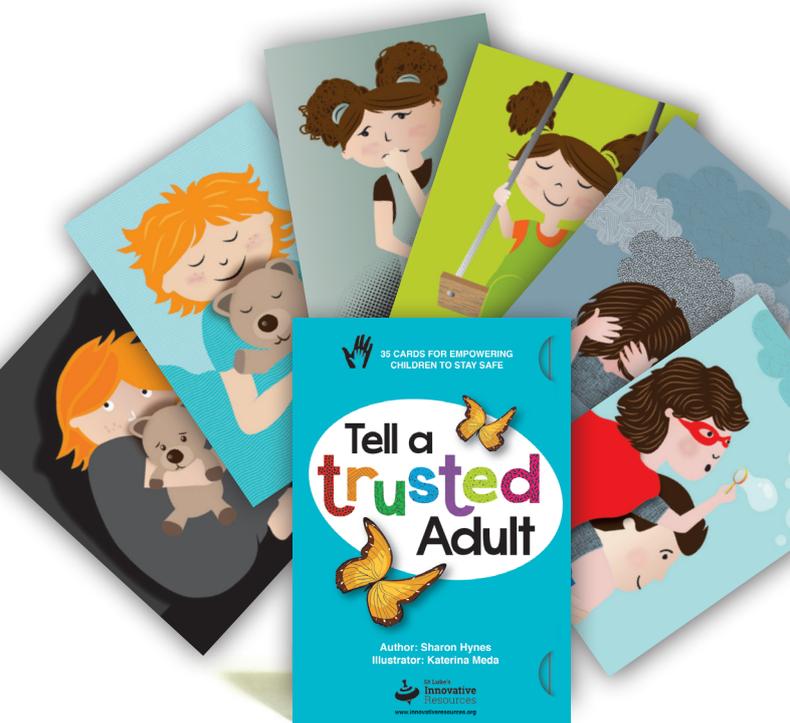

### Tell a Trusted Adult Kit

A child safety kit of the Tell a Trusted Adult cards and these PDFs:

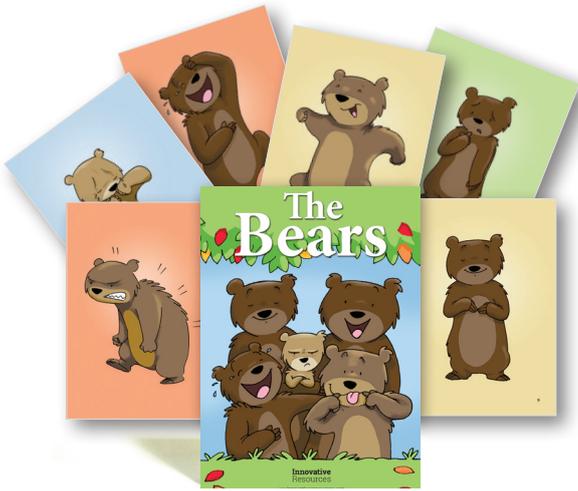

- 10 lesson plans, one for each week of the school term, with activities tailored for 3-10+-year-olds
- a set of six full-colour posters for reinforcing the safety messages

This integrated resource can be used across the curriculum, in classrooms, groups, or one-on-one conversations.

CAT NO: 4981      \$99.00

## Body Signals®

Illustrated cards for recognising the feelings in our body

A 40 card set that features a beautifully illustrated mob of meerkat characters, designed to help children of any age tune into their body signals and build a vocabulary to describe them. A variety of activities and conversations can be built around the cards, allowing participants to gain a deeper understanding of their body's natural responses.

CAT NO: 4970 \$55.00

## Strengths Cards® For Kids

Practical, fun cards for building strength in children

This playful resource is tailor-made for talking with children about building and identifying their strengths. The cards are practical, positive and affirming. The fun-loving cartoon illustrations make them accessible for young children and families. They support building self-esteem and optimism in children and allow role models to reflect on the strengths they want to show in themselves.

CAT NO: 0500 \$65.00

\* Stickers Available

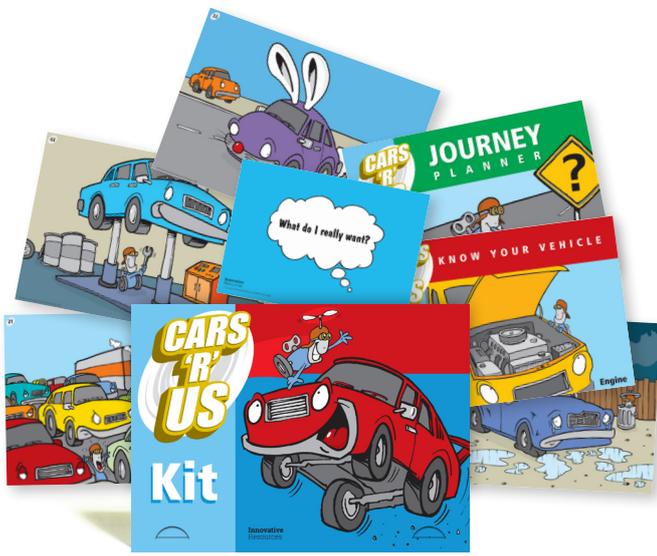

## Anxiety Solutions for Kids

Fun and simple anxiety management strategies

This is a set of delightfully illustrated cards with simple, practical, and fun activities for children experiencing worry and anxiety. Each card features a different strategy or technique to support the management of big feelings and enables children to discover solution-focused ways to 'ride the wave' of anxiety.

CAT NO: 4937 \$59.95

## Cars 'R' Us

Interactive tool for exploring emotions and choice

A set designed to help children think about the choices they make and the interconnections between body signals, thoughts and actions. The fleet of human-looking cars are ideal for talking about goals, challenges and how we respond in different situations.

CAT NO: 4400 \$65.00

## Stones...Have Feelings Too!

A resource that helps build a feelings vocabulary

*Stones ...have feelings too!* is a 52 card resource that helps people discuss feelings in a fun and engaging way.

This is a fantastic inclusion to the toolkit of anyone wishing to support emotional vocabulary, resilience and identification. The playful illustrations of rocks include happy, sad, silly, shy, joyful and more, making this set accessible for all, and particularly accessible for children.

CAT NO: 3900 \$55.00

\* Stickers Available

## TACTILE RESOURCES

To help build emotional intelligence in children

## Pocket of Stones

12 quirky little characters that encourage discussions about feelings

These 12 hand-crafted ceramic faces are the ideal tool for helping children talk about feelings. They can be used by themselves or with other play therapy materials, and while they're perfect for all ages, they are especially useful when tackling big topics with children.

CAT NO: 0700 \$39.95

## The Bears Tactile Characters

Adorable bear friends to encourage deep conversations

The *Bears Tactile Characters* are a group of five adorable bear characters, taken from the card set, each with a personality and emotional expression. These characters can be touched, played with and talked to, which can assist children with exploring their own feelings.

CAT NO: 0750 \$39.95

## The Bears Cube

A cube full of delightful characters from the famous card set for talking about feelings

Twenty-three different Bears, all on one cube—happy, sad, surprised, anxious, cheerful, angry, proud, scared—and many more

Designed for children who love the movement of their hands as they talk about their feelings

CAT NO: 0775 \$19.95

## The Bears Bundle

An iconic collection for exploring feelings and emotions

*The Bears* are a beloved collection of affable and fun characters that enable us to talk about our feelings and emotions at a very deep level.

*The Bears Bundle* combines all four Bears products and includes:

- *The Bears cards* – a beloved resource for all ages. These simple yet powerful cards are ideal for identifying, talking about and reflecting on feelings.
- *The Bears Tactile Characters* – 5 adorable tactile characters from *The Bears cards* are here to help people explore many emotions.
- *The Bear Cube* – a cube featuring delightful characters from the famous card set to help instigate conversations about feelings.
- *The Bears Stickers* – 480 stickers perfect for sharing and letting everyone know what you are feeling.
